IMPORTANT **

Some airlines require that children under a certain age travel as a UA (Unaccompanied Minor). Please check with the airline you are using to see if your child is required to fly as a UA.

- **Will your child be travelling as a UA (unaccompanied minor)?** Yes___ No___

If your child is travelling as a unaccompanied minor with the airline they are travelling with, It is very important that you inform us for the following reasons:

1. Arrival :
 All Unaccompanied Minors MUST be met at the airport by the same person you name on the UA form. The person meeting your child must show photo ID to airline staff. The child will not be released to any other person. Therefore, it is necessary for us to give you the name of the person who will be meeting your child upon arrival.
2. Departure:
 All Unaccompanied Minors MUST have a Canadian (18 years or older) WAIT AT THE AIRPORT with them until 10 minutes after the flight has departed. If your child is travelling as an Unaccompanied Minor, it is necessary for us to arrange a person who can WAIT with your child at the airport.

There will be an additional fee of \$150 added for all Unaccompanied Minors.

I declare that the information I have given is correct and accurate. I understand that while every effort will be made to match all of my requests for homestay placement, no guarantee can be given to match each one. I have read and understand the refund policy & conditions below.
